Sent by email to:

Dear Terry,

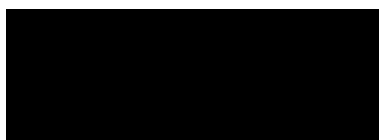

Re: North Cambridge Academy and potential for expansion

I am responding to your email dated 5 August 2025 in which you seek assurance that the land earmarked for the redevelopment of the Bellerby's site is not required for any possible future expansion of North Cambridge Academy.

I confirm that both officers from the Education Capital and Place Planning Team and Meridian Academy Trust have provided assurance that there will be sufficient space to expand the school by a further two forms of entry (300 places). This is the maximum level of expansion that we consider will be required to accommodate the demand from known developments in the school's catchment.

I trust that this provides the reassurance that you need.

Yours sincerely,

Alan Fitz, Area Education Officer

cc: Stuart Clarke (Principal Planning Officer)
Rachael Pinion (Education Capital & Place Planning Manager)
Becky Francis (Development Surveyor)
Martin Hair (Director of Estates, Meridian Trust)
